## WORKING EXPERIENCE

### Ernst & Young Global Limited

*Audit Associate, Audit Assurance FSO Department*

New York, USA

Sep 2024 – Present

- Executing comprehensive audit procedures for hedge funds with AUM of **USD 80B** and **USD 12B**, including testing cash, investments, revenue, and expense accounts to ensure compliance with US GAAP and PCAOB standards.
- Taking ownership of audit deliverables, proactively resolving discrepancies and ensuring accuracy, which earned “**Exceeded Expectations**” in quality and risk management.
- Coordinated effectively with clients and engagement teams, building strong relationships and adapting quickly to a fast-paced, complex audit environment.
- Streamlined audit processes through advanced Excel automation (Pivot Tables, Index Match, VLOOKUP), reducing reporting time while enhancing workpaper quality.
- Recognized for quick learning, proactive communication, and team collaboration, consistently improving team coordination and client satisfaction.

### Bentleys Tasmania

*Superannuation Accountant (Contract), Accounting Department*

Jakarta, Indonesia

Apr 2024 – Jul 2024

- Prepared and reviewed superannuation fund financial statements in compliance with ATO regulations.
- Processed fund transactions and prepared tax returns, ensuring accuracy and timely submission.
- Maintained proficiency in BGL software and up-to-date technical knowledge to meet statutory and regulatory requirements.

### KPMG LLP

*Intern, Audit Assurance FSO Department*

New York, USA

Jan 2024 – Mar 2024

- Conducted comprehensive financial statement audits for an insurance company, including detailed testing procedures and reconciliations, to ensure compliance with industry regulations and financial integrity.
- Completed KPMG's ADC (Accounting Disclosure Checklist) and the annual SOC (System and Organizational Controls) audit, confirming adherence to financial reporting standards.
- Utilized DataSnipper to streamline data extraction and analysis, improving audit efficiency and accuracy.

### Ernst & Young Global Limited

*Intern, Audit Assurance FSO Department*

New York, USA

Jun 2023 – Aug 2023

- Reviewed corporate records, including tax returns, bank statements, and financial reports, to identify irregularities and ensure compliance with US GAAP and PCAOB regulations.
- Assisted in audit reporting, reconciliations, and data analysis.
